

THE GABBITAS TUTOR SERVICE

Gabbitas offers a professional Personal Tutor Service currently comprising around 60 highly qualified and experienced subject specialists who cover the London postal code areas.

Our tutors operate on a part or full time basis and are especially in demand for 7+/11+/Common Entrance Examination preparation and all major GCSE and A level subjects. Tutors may wish to travel to their pupils or have pupils visit them in their homes. Tutors set their own fees in discussion with parents.

Gabbitas also recruits residential tutors on a full time basis for a fixed term both in the UK and overseas.

All prospective tutors are expected to hold a British teaching qualification and will have recent teaching experience. We require a CV plus names and addresses of five referees, to whom we write direct, before registration can take place. An Enhanced CRB check is also required and is applied for via Gabbitas. The charge for this is £45.

An interview will take place at the Gabbitas offices where our terms and conditions will be outlined and candidates will have the opportunity to discuss their skills and experience.

If you would like to apply, please use the online registration form found on our website gabbitas.co.uk, or email a copy of your CV to deirdre.donegan@gabbitas.co.uk.

Our London office address is:

Norfolk House
30 Charles II Street
London
SW1Y 4AE
